Our day could be all play, no
work to stop our good times

Or it could be filled with parties
and dinners, banquets and all
sorts of frivolous occasions

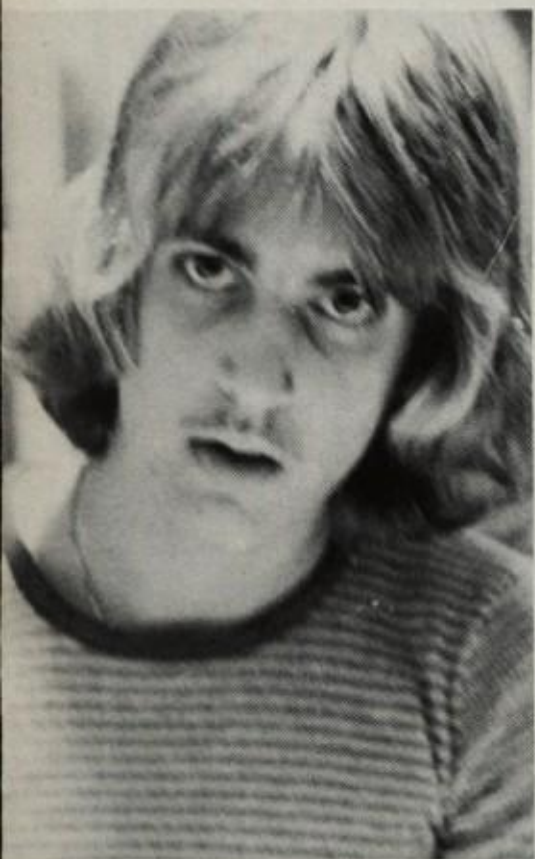

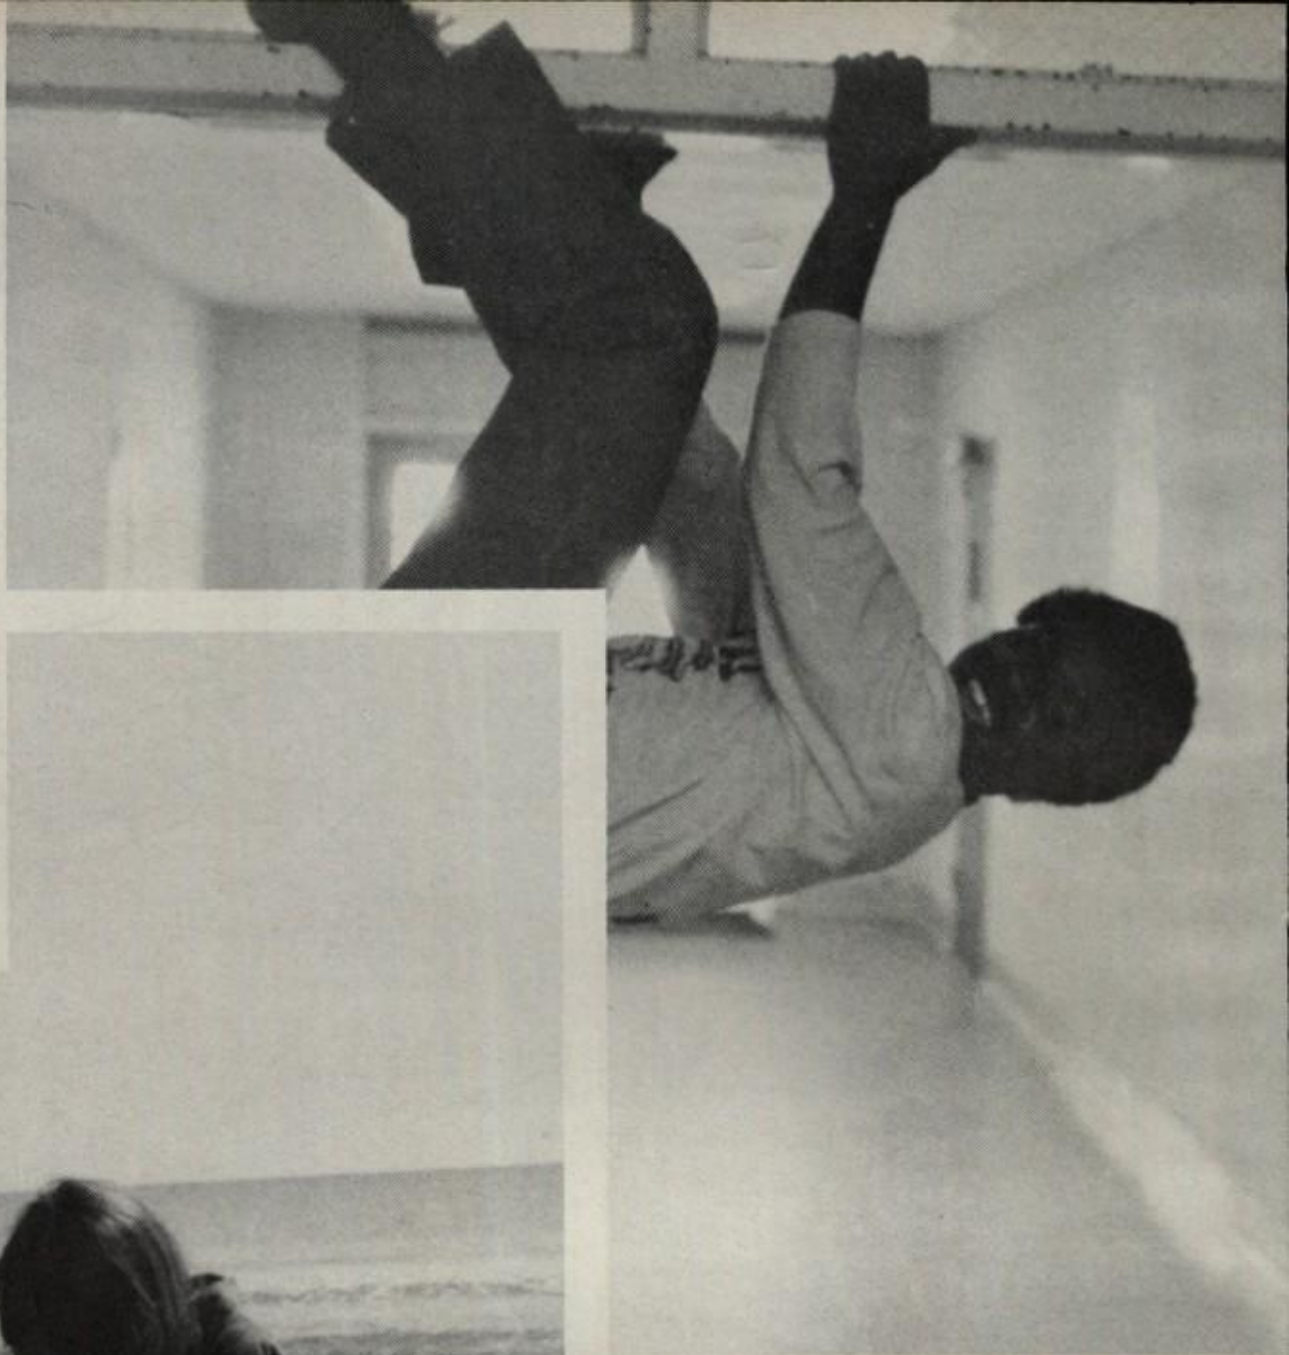

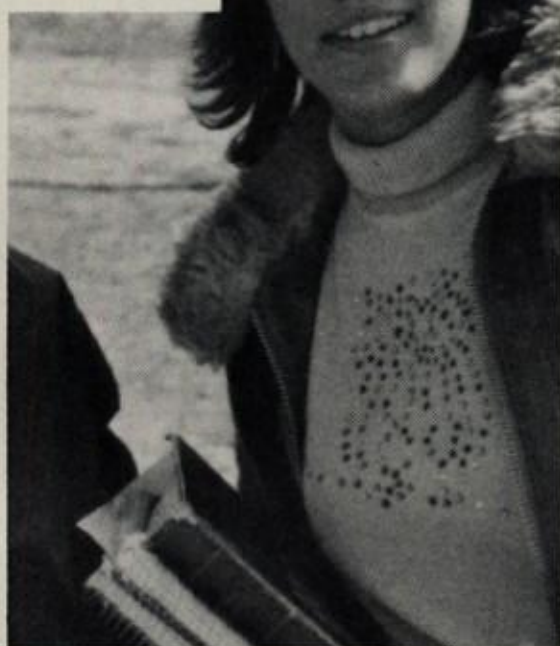

The winter sets in and our days
are full of hot chocolate, cold
wind and snuggling by a fire

(me) Roddy, I love you and sweet
friend, I love you and sweet
who will succeed in
this life you have fun
love always

But we always come back to good
friends and easy living.
This is the life and times of all our

dedication

Each year, according to tradition, we dedicate our annual to a teacher whom we feel has helped us change from dopey-looking adolescents to the more adult status of "seniors."

This year however is special, for we are choosing a teacher who is special, Miss Patricia Moore. This unbelievable woman does everything worth doing at our school and does it well. She's a stern teacher, a paranoid sister, an overprotective mother, and a very, very good friend.

We happily dedicate the 1977 Chief to a generally happy person, P. Moore.

miss chief

Gayle Gore was selected "Miss Chief" for 1977. This honor is based on scholarship, leadership and overall appearance.

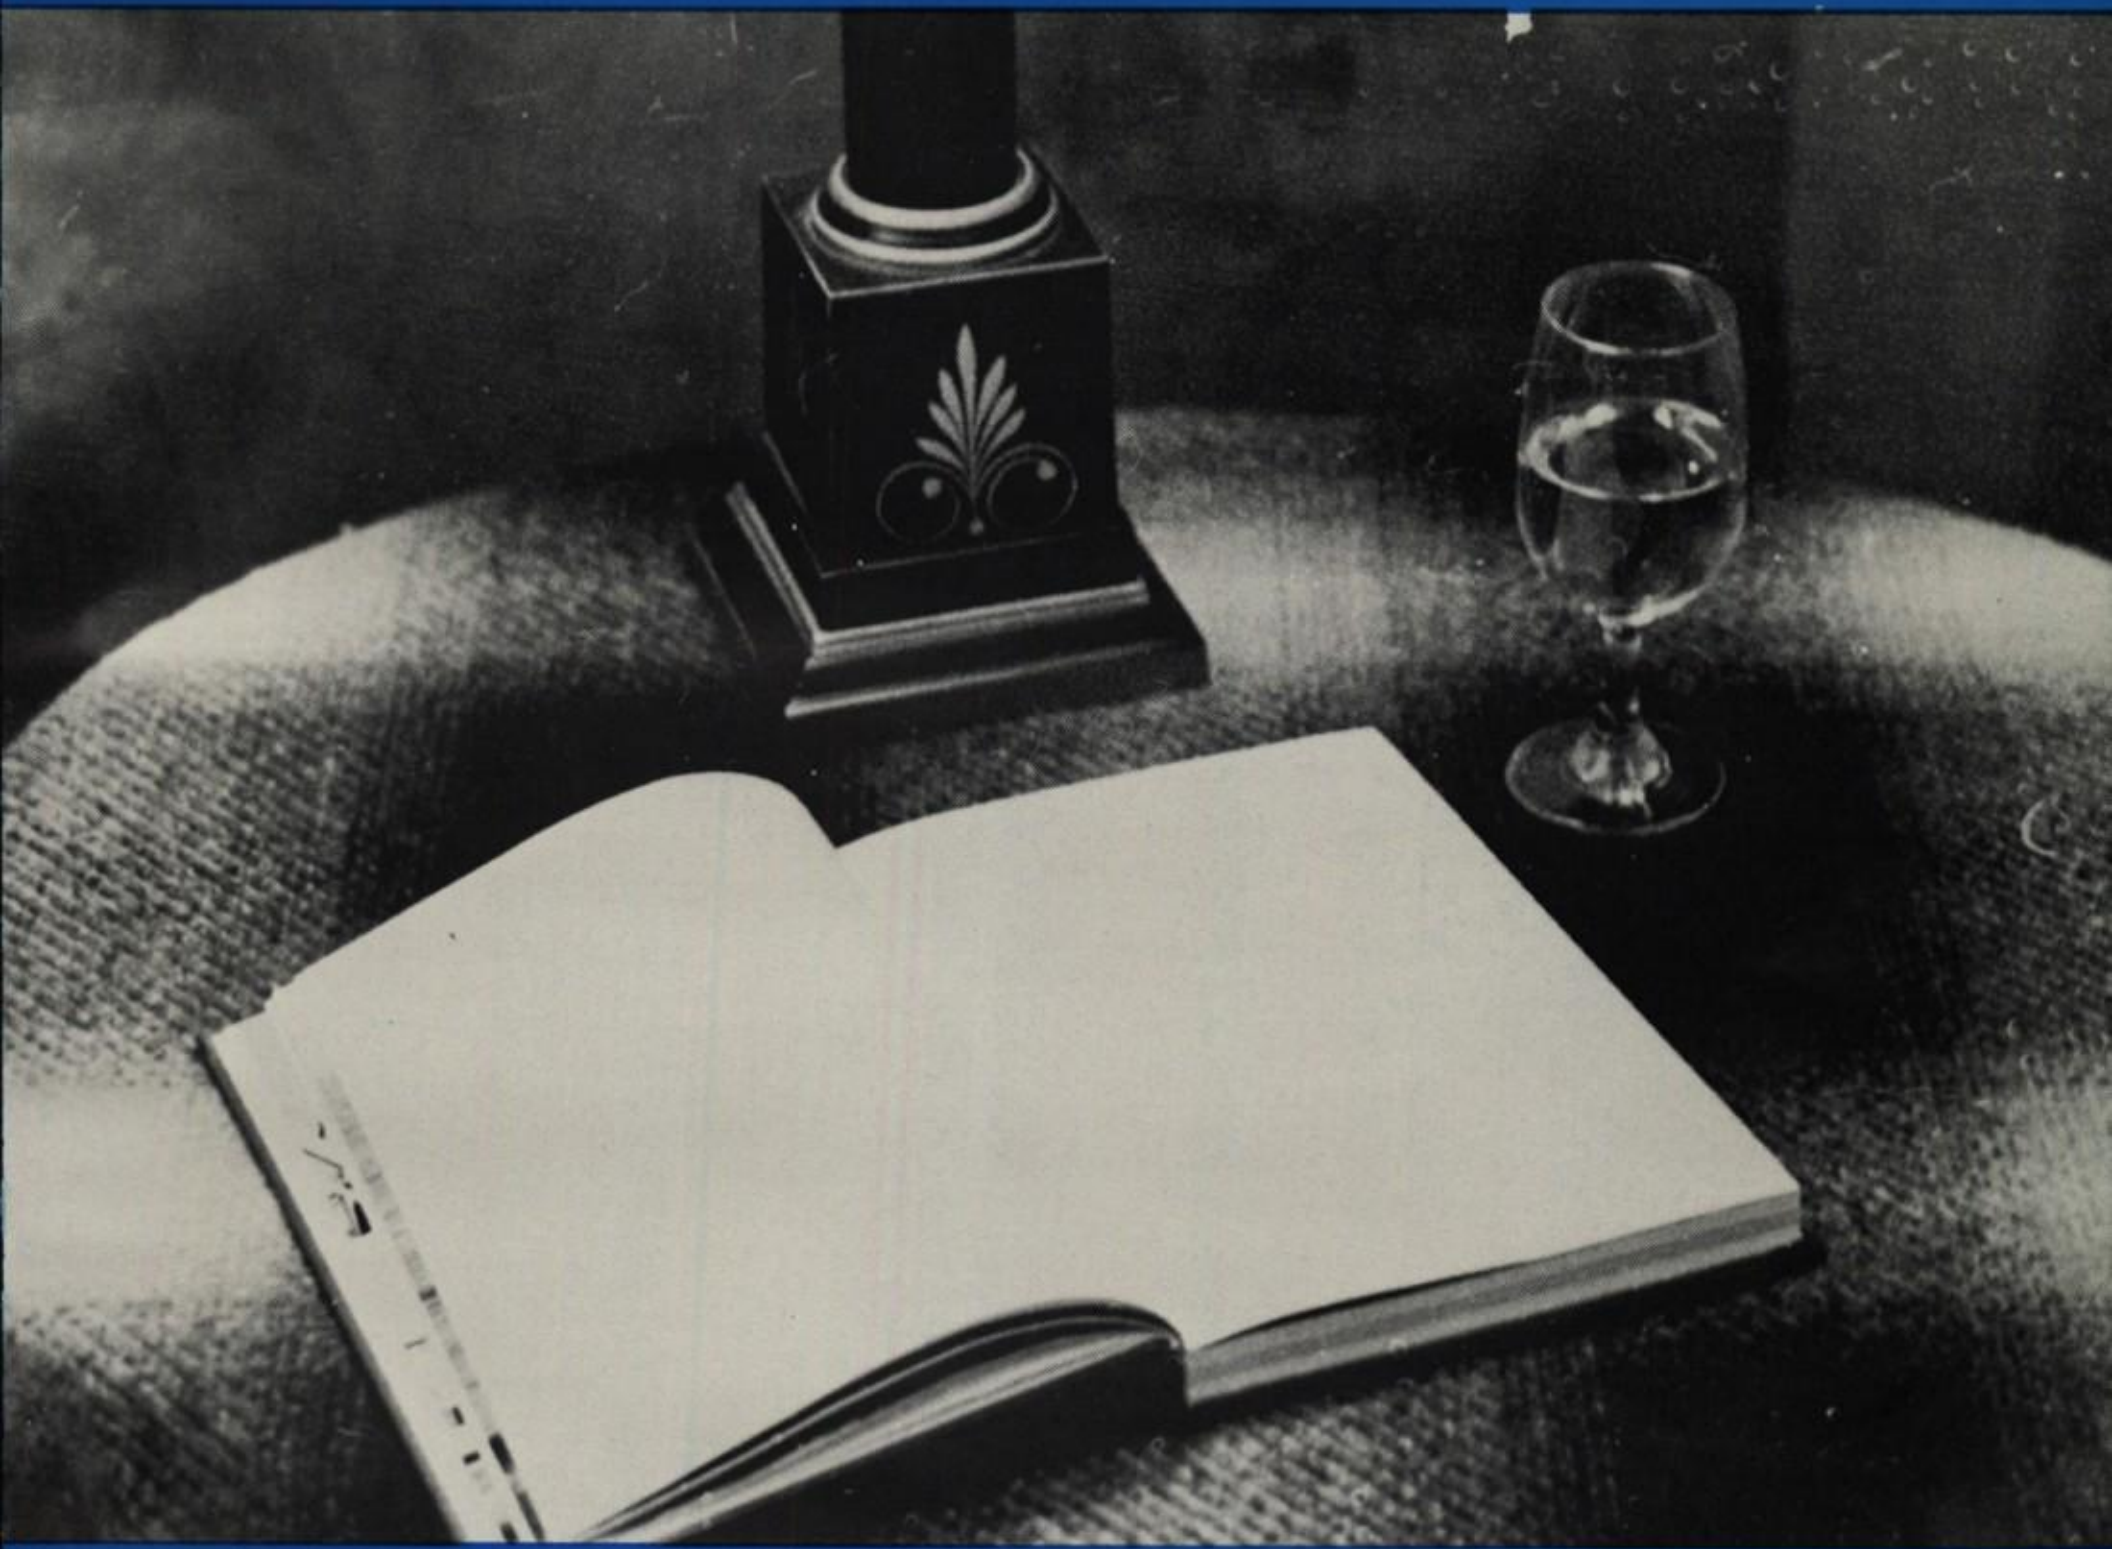

Gayle has always been a leader in academics and always willing to help on any project. She's a member of the Student Council and President of the FHA. She's in the Student-Faculty Advisory Committee and a member of the National Honor Society.

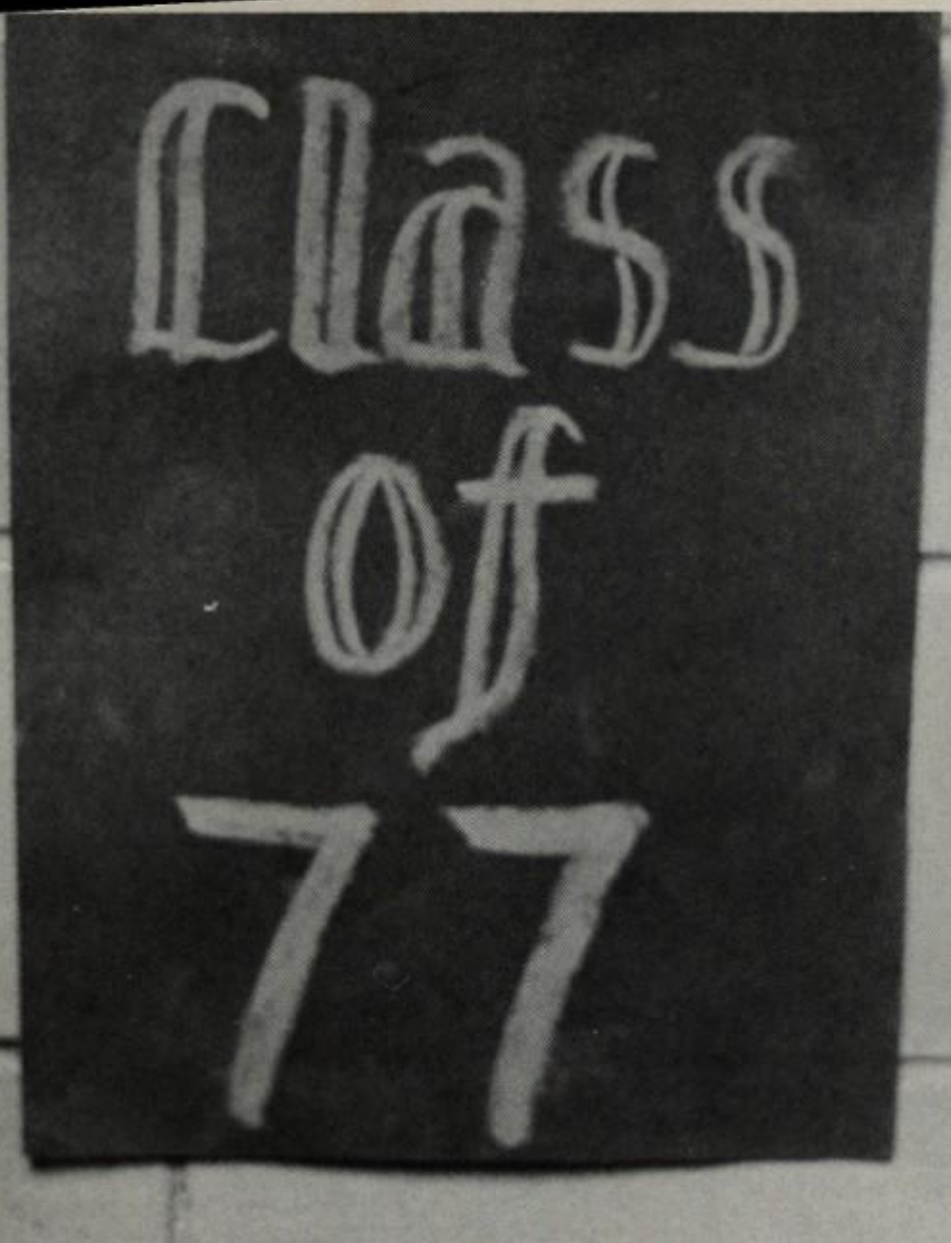

The Senior Class nominates girls for the honor and the faculty makes the final decision. The decision was not hard to make.

To a
real sweet
and good guy.
You've really been
a nice friend & always
thoughtful. I love ya.
alot! Best wishes &
take care! Love ya,
Daddy & Duddy

Student life

The party is here!

I hate this place.

Rare eastern jewel worn only by cool and imaginative people (like seniors).

Depends on what you got.

Well you see, I did it, but well . . .

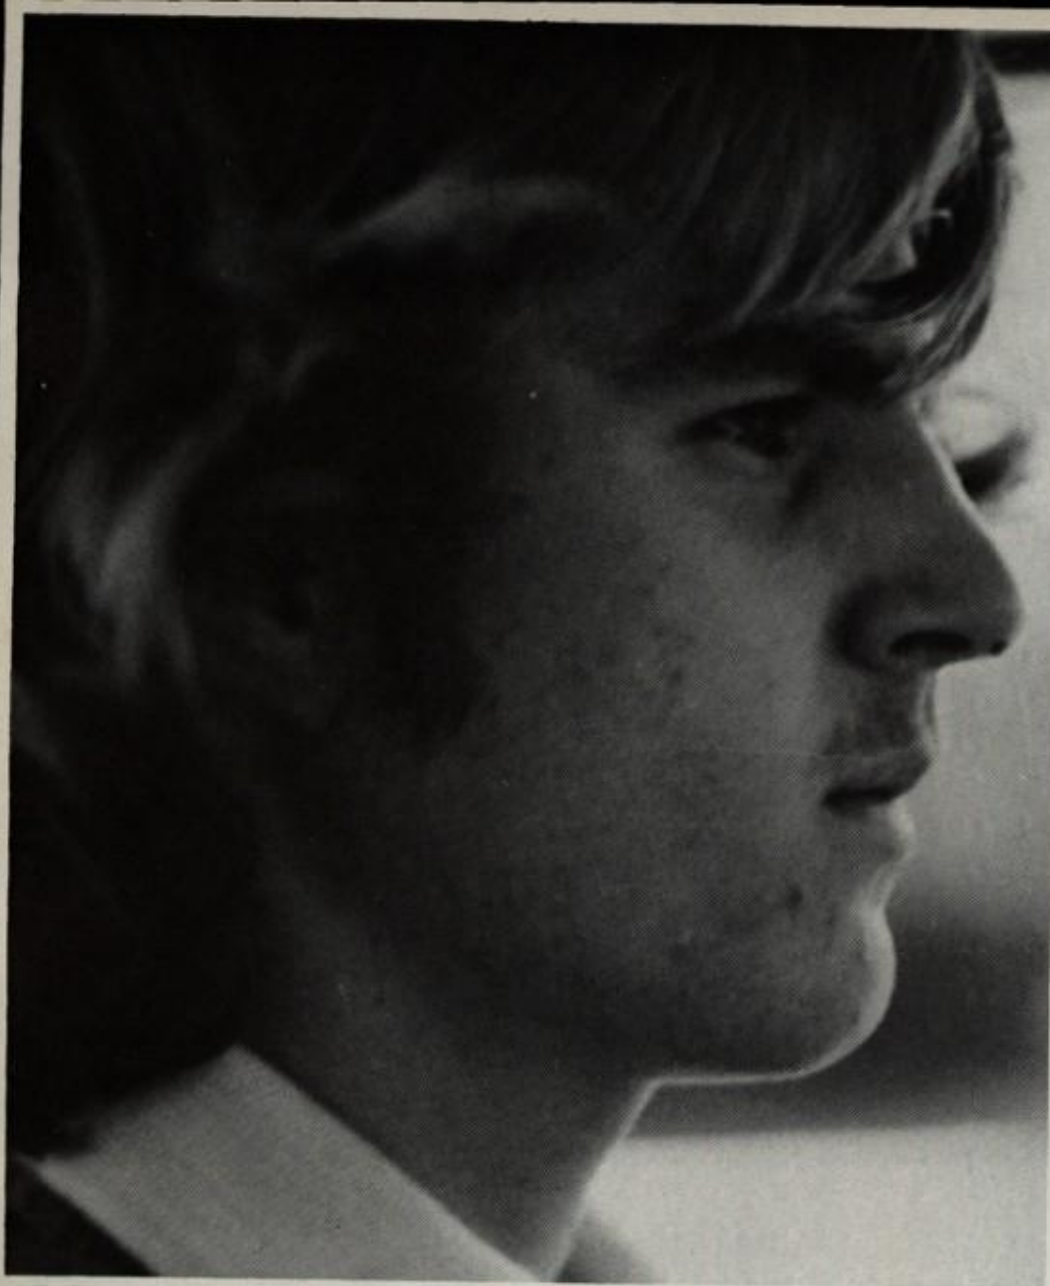

Okay, time for class.

Alright, on the count of three, run.

What do you think of homework?

Where did he say the school was?

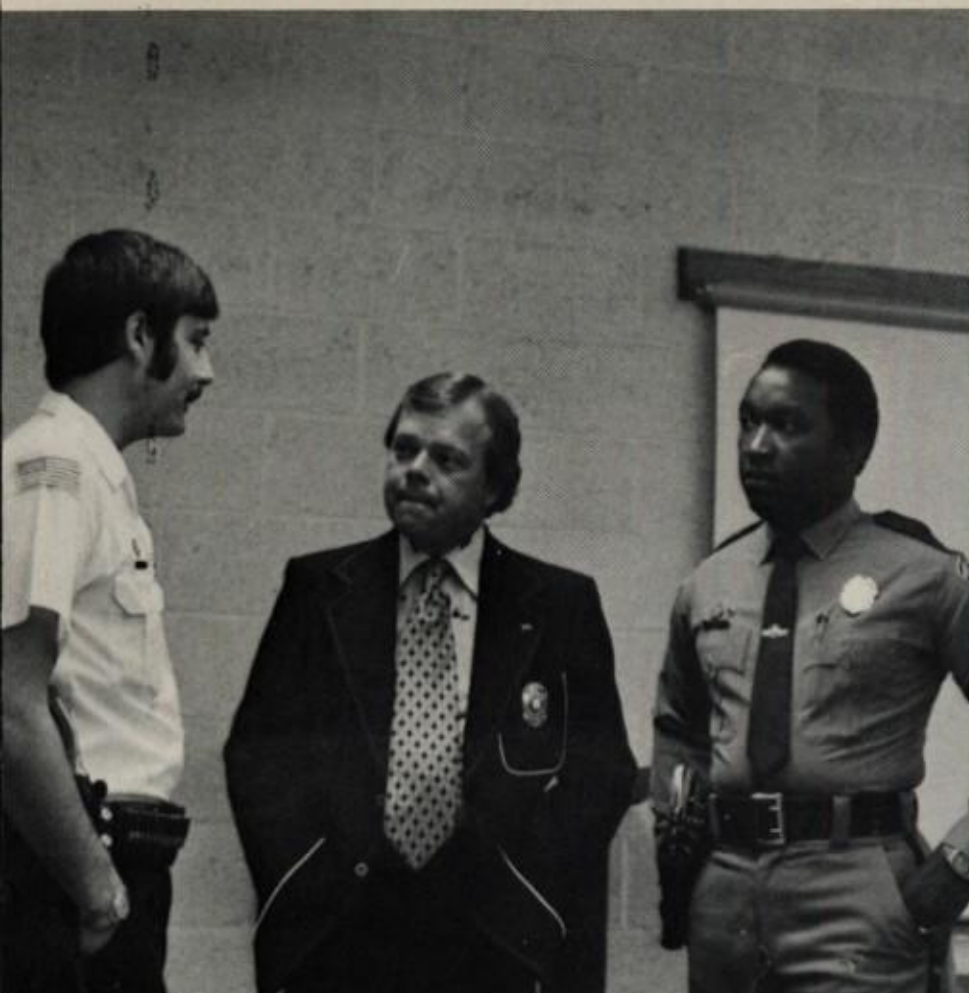

Is he gone yet?

Did someone say PARTY?

Hey, somebody, this thing is broken.

Okay, you take the junior hall, and you take the science hall. I'll stay home and hide.

No, not today. Check with me Tuesday.

Hurry, you, I got work to do.

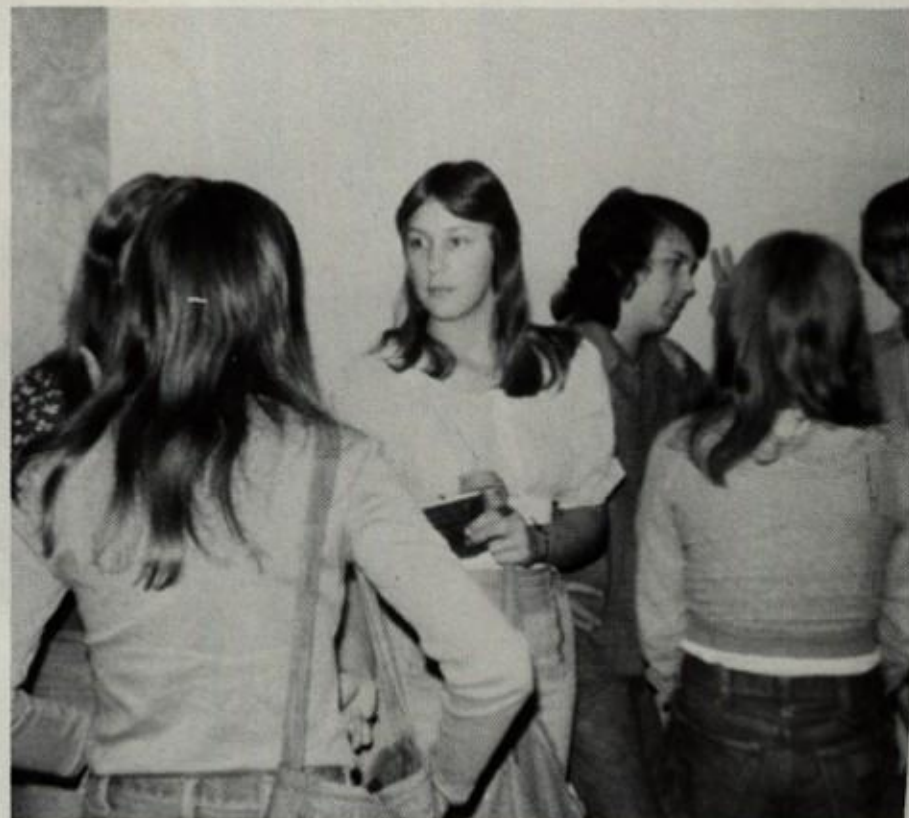

Let's have a riot!

activities

Halloween Carnival Court

carnival

There was much going on at the Halloween Carnival this year. There were a variety of shows such as the freak show, the magic show, and the burlesque show. There were also many games such as bingo, darts, and going fishing. All together the seniors accomplished what they set out to do and profited from their hard work. Most of the profits were donated to the band to purchase uniforms.

Roddy,

I just want to thank you for being a friend and listening to all of my "girlie" problems. They must seem really dumb to you, but I was serious.

You're a very handsome guy and I hope you have the greatest summer.

P.S. I still feel the same about you know who! Love always,
Cindy

varsity football

The North Myrtle Beach Chiefs got the year off to a good start by defeating Pleasant Hill, 46-0; Choppee, 27-8; and Socastee, 24-22. The Socastee game was the most exciting game this year.

The game was a see-saw battle until the half. In the beginning of the third quarter, the Socastee Braves scored two touchdowns. It looked grim for the Chiefs as time ran down until the final two minutes of the game. Then all of a sudden Tim Gore found Nate Livingston open, hit him with a pass, and then Nate scrambled 65 yards for the touchdown, with some fine blocking by Arther Gore. With 48 seconds remaining in the game, Tim found Nate open again and hit him with a 30 yard touchdown pass for the game winning touchdown.

Another exciting game was with Hemingway, but fate was with the Tigers as they won 18-12. All in all, we had a pretty good season with a 4-6-0 record, but look out next year

varsity cheerleaders

The North Myrtle Beach cheerleaders were chosen at the end of the 75-76 school year. Pat Gore was elected captain, and Nancy Shay was chosen as the mascot.

The girls spent a week in Boone this past summer at Appalachian State. At a camp held there they learned new cheers, chants, and exercises.

The football and basketball seasons just wouldn't be the same without cheerleaders. They support the Chiefs all the way!
